**Coaches' Poll:** SAAU per age poll 50% (.50) per ranking spot – COMPOSITE for ages with more than 8 teams. For example, if we had 22 teams in an age group the composite rankings would be as follows: #1 ranked team (11 pts); #2 ranked team (10.5 pts); #3 ranked team (10 pts); #4 ranked team (9.5 pts), etc. For 8 teams or less a straight point system will be used: #1 ranked team (8 pts); #2 ranked team (7 pts); etc. Coaches who do not return ranking forms will automatically have their total poll ranking dropped two spots. Coaches who rate like the "BCS" or "purposely" rank teams in an unreasonable fashion (two teams ranked #1 or #2 in ALL polls but one coach rates them # 9 or # 10) will have their poll disregarded and will be DENIED participation in future polls.
