

Approved Player List - SAAU Louisiana Boys' Basketball

Coaches – players listed below have been FULLY registered in 2006.

This means they have had birth certificates & grade exception forms (names with a g to the right of team name) required to become an AAU member certified. Once a player is on this list, they are eligible for the duration in SAAU. The ONLY thing players will have to provide in subsequent years will be a NEW grade exception form (if they are a grade exception player). However, when attending National Championships, coaches MUST bring ALL required documentation. All 2006 ages 9u through 15u are listed on the following pages.
